

5 Essential Types of Plugins for Your Membership

Looking to Build a Membership Site?

- You may be looking to build a membership for
 - Recurring income
 - Leveraged Income
 - Community & Authority

Good Things Generally aren't Free

- Some of the better plugins will cost you money
- It's just the nature of doing business
- Just like we want to earn, so do others

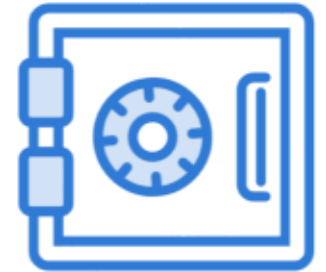

5 TOP PLUGINS

Restrict Content Pro

- A very simple to use membership plugin
- Not as expensive as other ones
- Has some great addons
- But only currently allows one membership per user

A full-featured, powerful membership solution for WordPress.

Restrict your content now

Lock away your exclusive content.
Give access to valued members.

Easy Digital Downloads

- Adds a shopping cart to your website
- Allows you to deliver digital downloads
- Compliments Restrict Content Pro and allows you to sell entry items and upsells

Say hello to the easiest way to...

or view our [demo shop](#).

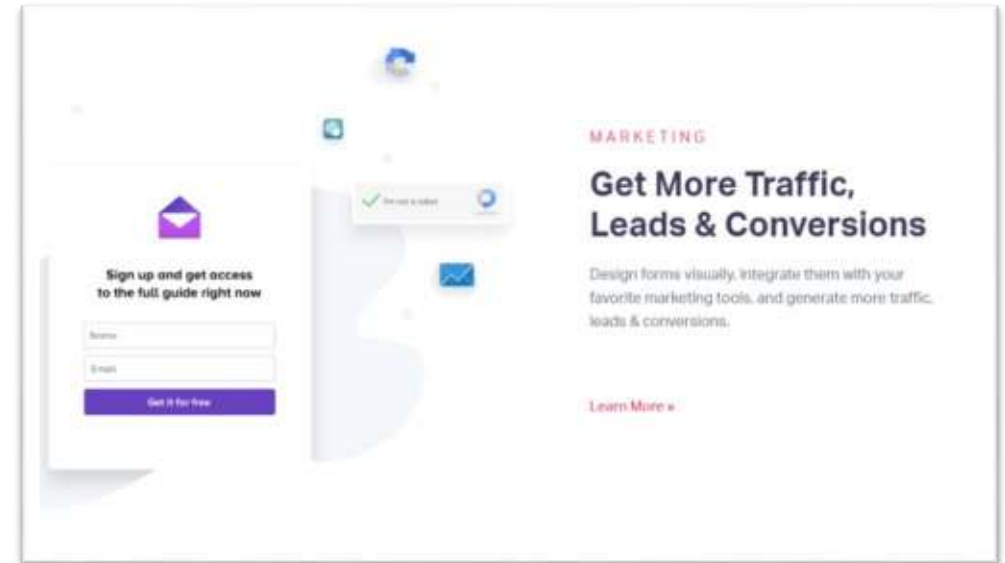

User Menus

- Gives the ability to create menu items based on conditions such as whether you are logged in or out
- Also allows you to have a login and logout link on the menu

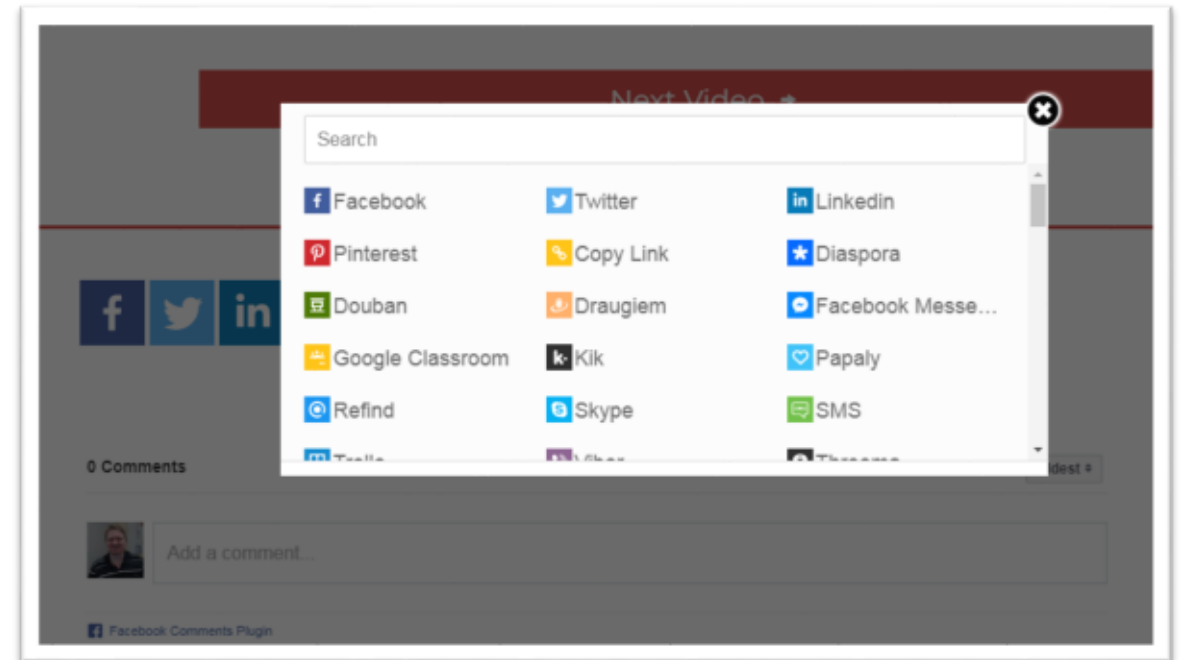

Elementor

- Elementor is a page builder which allows you to build breath-taking designs
- It works extremely well with the Astra theme
- You can drag drop elements + create popups, templates and more

Sassy Social Share

- A free sharing icon that supports multiple network
- Add share buttons only to certain areas and even use shortcodes
- It also allows you to specify the url to share
